2021 TOWN MEETING

WARRANT

TOWN OF FRANCESTOWN

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Francestown in the County of Hillsborough in the State of New Hampshire qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall, 2 New Boston Road, in the Town of Francestown on Tuesday, March 9, 2021, at 10:00 a.m. to act upon the following subjects. The voting on Article 1 will be by official ballot, and the polls will be open for balloting on said date at 10:00 a.m. and will not close before 7:00 p.m.

ARTICLE 1:

To choose all necessary Town Officers for the ensuing year (by Official Ballot).

Pursuant to RSA 39:2-a and the vote of the Annual Town Meeting in 1979, you are hereby notified that the second session of the annual meeting of the Town of Francestown will be held at the Francestown Highway Department, 242 2nd NH Turnpike South, on Saturday, April 17, 2021, at 10:00 a.m., at which time the Town will act on the following subjects:

ARTICLE 2:

To see if the Town will vote to raise and appropriate the sum of ONE MILLION EIGHT HUNDRED TWENTY THOUSAND SEVENTY NINE DOLLARS (\$1,820,079) for general municipal operations. This article does not include appropriations contained in special or individual articles addressed separately. The Select Board recommends this article 3-0 and the Budget & Advisory Committee recommends this article 5-0.

ARTICLE 3:

To see if the Town will vote to raise and appropriate FIVE HUNDRED FORTY SEVEN THOUSAND SEVEN HUNDRED DOLLARS (\$547,700) to be added to the Capital Reserve Funds in the following manner:

\$14,500	Future Replacement of Fire Equipment
\$100,000	Future Replacement of Fire Trucks
\$170,000	Future Replacement and Purchase of Highway Equipment
\$20,000	Future Replacement of Police Vehicles (Continued on next page.)

\$45,000	Future Town Facilities Improvements
\$175,000	Future Town Road Improvements
\$3,200	Future Cemetery Improvements
\$20,000	Future Revaluation of Real Estate

And authorize the withdrawal of ONE HUNDRED SEVENTEEN THOUSAND SEVEN HUNDRED DOLLARS (\$117,700) from the unassigned fund balance and the balance of FOUR HUNDRED THIRTY THOUSAND DOLLARS (\$430,000) to be raised by general taxation. The Select Board recommends this article 3-0 and the Budget & Advisory Committee recommends this article 5-0.

ARTICLE 4:

To see if the Town will vote to raise and appropriate TWELVE THOUSAND TWO HUNDRED DOLLARS (\$12,200) to be added to the Expendable Trust Funds in the following manner:

\$2,000	Master Plan Update Trust Fund
\$7,000	Legal & Public Assistance Trust Fund
\$3,200	General Cemetery Maintenance Trust Fund

Said funds to be withdrawn from the unassigned fund balance. The Select Board recommends this article 3-0 and the Budget & Advisory Committee recommends this article 5-0.

ARTICLE 5:

To see if the Town will vote to establish a contingency fund for the current year for unanticipated expenses directly related to the COVID-19 pandemic and further to raise and appropriate SEVENTEEN THOUSAND DOLLARS (\$17,000) to put in the fund. Such sum to come from the unassigned fund balance. Any appropriation left in the fund at the end of the year will lapse to the general fund. (RSA 31:98-a) The Select Board recommends this article 3-0 and the Budget & Advisory Committee recommends this article 5-0.

ARTICLE 6:

To see if the Town will vote to raise and appropriate FIFTY THOUSAND DOLLARS (\$50,000) to purchase and outfit a police cruiser, said funds to come from the Future Replacement of Police Vehicles Capital Reserve Fund, and to further authorize the disposal of the existing 2013 police cruiser as best serves the Town. The Select Board recommends this article 3-0 and the Budget & Advisory Committee recommends this article 5-0.

ARTICLE 7:

To see if the Town will vote to raise and appropriate TWENTY FIVE THOUSAND DOLLARS (\$25,000) to complete repairs to the roof and associated structural and trim details of the Town Horsesheds. Said funds to be raised by acceptance of a donation of TWO THOUSAND DOLLARS (\$2,000) from the Francetown Improvement and Historical Society and TWENTY THREE THOUSAND DOLLARS (\$23,000) to be withdrawn from the Future Town Facilities Capital Reserve Fund. The Select Board recommends this article 3-0 and the Budget & Advisory Committee recommends this article 4-1.

ARTICLE 8:

To see if the Town will vote to raise and appropriate THREE HUNDRED FORTY THOUSAND DOLLARS (\$340,000) to complete a full-width overlay of the 2nd NH Turnpike South from the Lyndeborough Town line to the intersection at NH 136 (New Boston Road) along with any surface preparation that may be required, said funds to come from the Future Town Road Improvements Capital Reserve Fund. The Select Board recommends this article 3-0 and the Budget & Advisory Committee recommends this article 5-0.

ARTICLE 9:

To see if the Town will vote to raise and appropriate TEN THOUSAND DOLLARS (\$10,000) to construct a new equipment shed at the baseball field. Such sum to be raised by acceptance of donations from the Recreation Trust Fund in the amount of FIVE THOUSAND DOLLARS (\$5,000) and the withdrawal of up to FIVE THOUSAND DOLLARS (\$5,000) from the Future Town Facilities Capital Reserve Fund. The Select Board recommends this article 3-0 and the Budget & Advisory Committee recommends this article 5-0.

ARTICLE 10:

To see if the Town will vote to raise and appropriate ONE HUNDRED SEVENTY FIVE THOUSAND DOLLARS (\$175,000) to purchase replacement Fire Department radios. Such sum to be raised by the acceptance of grants and/or donations in the amount of ONE HUNDRED SIXTY SIX THOUSAND TWO HUNDRED FIFTY DOLLARS (\$166,250) and the withdrawal of EIGHT THOUSAND SEVEN HUNDRED FIFTY DOLLARS (\$8,750) from the Future Replacement of Fire Equipment Capital Reserve Fund. ***If the grant application is denied in full this article shall become null and void.*** The Select Board recommends this article 3-0 and the Budget & Advisory Committee recommends this article 4-0.

ARTICLE 11:

To see if the Town will vote to raise and appropriate THIRTY SIX THOUSAND DOLLARS (\$36,000) to purchase replacement radios for the Fire Department. Such sum to be raised by the acceptance of up to FIFTEEN THOUSAND DOLLARS (\$15,000) from the Mount Crotchet Firefighters' Association and the withdrawal of TWENTY ONE THOUSAND DOLLARS (\$21,000) from the Replacement of Fire Equipment Capital Reserve Fund. ***Should the grants and/or donations from Article 10 be awarded in full, this article shall become null and void.*** The Select Board recommends this article 3-0 and the Budget & Advisory Committee recommends this article 4-0.

ARTICLE 12:

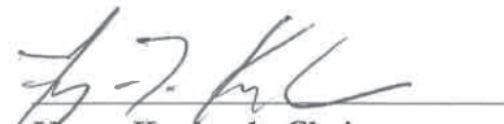

To see if the Town will vote to raise and appropriate SIX THOUSAND DOLLARS (\$6,000) to replace and outfit the floating swimming platform at Scoby Pond, said funds to be withdrawn from the unassigned fund balance. The Select Board recommends this article 3-0 and the Budget & Advisory Committee recommends this article 5-0.

ARTICLE 13:

To transact any other business that may legally come before the Town.

Given under our hands and seal this Eighth day of February, in the year of our Lord, Two Thousand Twenty One.

Franeestown Board of Selectmen

Henry Kunhardt, Chairman

Brad Howell

Marsha Dixon

Francestown Select Board

2020 Annual Report

Certainly, the overarching story of 2020 was the appearance of the novel corona virus in January, and the worldwide pandemic of COVID-19, the disease caused by the virus. We closed our Town Offices in March, just after Town Meeting, and re-opened with limited access at the beginning of June. The Museum and the Library were also closed for several months, before re-opening with 'pandemic rules' in place. The specter of refrigerated trailers being pressed into service as temporary morgues in large cities was a sobering sight. By the end of the year, almost 400,000 people in the United States had died from the disease.

Not only were the 2020 Olympics in Japan called off due to the pandemic, even Labor Day in Francestown was cancelled. We have been very lucky, so far, with very few cases over the summer, a few more in the fall. But as this report goes to press, the number of confirmed cases in Francestown is on the rise.

Despite the widespread shutdown of 'non-essential businesses,' the Town was able to complete many of the capital projects discussed at Town Meeting. Cutter Construction installed cabinetry and countertops in the Town Hall pantry and replaced rotted columns and structural members in the Town Horsesheds, jacking and straightening the building. With the help of Advance Paving and Francestown Sand & Gravel, the Highway Department completed reconstruction of the final mile of the Bible Hill Road project and returned Bible Hill Extension to a gravel surface.

With more help from Advance and Miller Construction, the Highway Department reconstructed and repaved the Police Department parking lot, and several additional safety

improvements were made to the five-way intersection in front of the Old Meeting House.

Cold River Bridges got off to a late start on the replacement of the South New Boston Road bridge, but we were able to re-open the bridge to traffic in December. Snow and cold weather prohibited final grading of sideslopes and the final application of asphalt to the bridge deck; Cold River will be finishing this work in the spring.

The weather in 2020 caught our attention, too. The spring and summer saw very low rainfall and most of the state was declared to be in 'Moderate' or 'Severe' drought in August, causing the Francestown Village Water Co to ask its members to conserve. Local hay yields were down, but growers in other parts of the state fared worse. As we go to print, groundwater levels are on the rise following more typical rain and snow events in the fall and the Water Co has relaxed its advisory.

Looking forward to the coming year, we will hold local elections as normal on Tuesday, March 9, at Town Hall, but the business meeting will be delayed to Saturday, April 17, and will be held at the Highway Barn on the Turnpike with all the doors open.

Due to the uncertainty surrounding the ongoing pandemic, and uncertain revenue projections for 2021, the select board has attempted to keep increases to the operating budget to a minimum. Many departments were able to reduce, at least temporarily, their budgets by around 2%. We will come to Town Meeting with a proposed overall decrease of 1.5% in the operating budget and an 8% increase in funding for Capital Reserve Funds, the Town's 'savings accounts' for future large capital projects.

This year's warrant looks to replace the 2013 police cruiser, renew the Horsesheds roof, and do a full overlay of the Turnpike from the Lyndeborough town line to the Common. Other articles include upgrades to the Fire Department's radios, a new swimming raft at Scoby, and a re-authorization for a Rec Department shed at Underhill Field.

New to the warrant this year is a request to sequester a portion of our Fund Balance for a Contingency Fund. This was authorized by the legislature in 2013 (RSA 31:98-a) and allows a town to set aside up to 1% of its annual operating budget for unanticipated expenses. In 2021, this fund would be for use only for unanticipated and extraordinary expenses due to COVID-19. If the money is not spent before December 31st the funds return to the Fund Balance.

Fracestown has only a handful of full-time employees, a small cadre of part-time employees, and an army of volunteers. We thank them all and you should, too; Fracestown would not run without them. These are often called 'thankless jobs,' which is not quite true, but the occasional thank yous are well received. Better yet, consider joining us – there are almost always a handful of vacancies on local boards and committees and your service can be valuable, interesting, and gratifying.

As we enter 2021, new immunizations against COVID-19 are being produced; some of our first responders have already received initial doses. We are hopeful that the new year will bring an end to the pandemic, a resurgence in the economy, and some good haying weather.

To the Members of the Select Board
Town of Francestown
Francestown, New Hampshire

We have audited the accompanying financial statements of the government activities, each major fund, and the aggregate remaining fund information of the Town of Francestown as of and for the year ended December 31, 2019, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions of these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the

aggregate remaining fund information of the Town of Francestown, as of December 31, 2019, and the respective changes in financial positions thereof, and the budgetary comparison for the General Fund, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the pension schedules on pages 27-29 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The Town of Francestown has not presented a management's discussion and analysis. Accounting principles generally accepted in the United States of America have determined that the management's discussion and analysis is necessary to supplement, but it is not required to be part of, the basic financial statements.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Francestown's basic financial statements. The combining nonmajor and individual general fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. They are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining nonmajor and individual general fund schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

NOTES:

Dog Tags have arrived for the 2021 licensing year so feel free to license your dog(s) early!!

Per RSA 466:1, Dogs 4 months old or older shall be licensed annually by April 30th. If you are new to town and own a dog, or if you have acquired a new dog you should notify the Town Clerk office to license your dog(s).

Per RSA 466:7, Any dog not licensed by June 1st will be subject to a late fee of an additional \$1.00 for each month the dog continues to go unlicensed and **Per RSA 466:13**, may be subject to a Civil Forfeiture fee of \$25 per unlicensed dog..

Rabies vaccinations must be current before a new license or renewal license can be issued so please be sure to provide us a copy of your most current Rabies Certificate if the vaccine has been updated since you last licensed your dog.

Credit Card Payments: In addition to the Online Motor Vehicle and Dog Licensing capabilities added a few years ago, we are now able to accept credit/debit card payments over the counter.

PLEASE NOTE there is a processing fee of 2.95% assigned to those transactions. This is the same rate as the online credit card transactions.

Cathy and I would like to thank you for your continued support, patience, and understanding as we work hard to provide you with the best and most up to date service possible.

**Fracestown Building Inspector/
Code Enforcement Officer**
2020 Annual Report

This was a very strange year. While the pandemic took hold and quarantines and travel bans took effect people were confined to their homes and discovering building projects to occupy their time. New Hampshire allows homeowners to do their own electrical, plumbing and mechanical work as long as it is their primary residence. So as the building industry is feeling the effects of material shortage, contractor shortage and shutdowns my job as Fracestown's Building Inspector got busier, more demanding and definitely more challenging. These home jobs still required permits and inspections. My role as inspector often took on an aspect of instructor as I guided homeowners through their projects.

We had 132 total permits which was a 110% increase from 2019. There were eight building permits issued for new homes in 2020 and are located as follows:

1335 Bible Hill Road

3 Cross Road

790 Poor Farm Road

106 Udall Road

500 Woodward Hill Road

1201 Russell Station Road

762 Candlewood Hill Road

85 Palmer Road

This was my third year on the Board of Directors for the New Hampshire Building Officials Association (NHBOA) and I am a member of the International Code Council (ICC).

In addition to my duties as Building Inspector and Code Enforcement Officer for the town, I also hold a membership to the New Hampshire Health Officers Association (NHHOA) and serve our community as the Deputy Health Officer.

I look forward to continuing the various duties and responsibilities on behalf of the town and am available to assist residents any time by calling 603-562-6363, or feel free to visit with me in the Town Office on Tuesday evenings from 5:30-7:30 pm.

Responsibilities:

Prepares plans and procedures for responding to natural disasters and other emergencies. They also help lead the response during and after emergencies, often in coordination with public safety officials, elected officials, nonprofit organizations, and government agencies

Francestown Emergency Management Director

2020 Annual Report

In 2020, the Emergency Management Department completed a two-year review and re-write of the Towns' Hazard Mitigation Plan. This effort involved all Town Departments and uses a FEMA supplied template to analyze potential hazards in town and develop a plan to respond to them.

Also, in 2020 we worked with the State of New Hampshire to update and improve our E911 maps and addresses. Our address database has been completely updated and checked to ensure that the data matches physical addresses. This database is used by both E911 and Police/Fire dispatch. New map books and electronic data files have been provided to all town agencies.

The Emergency Management Department continues to assist with the Towns' pandemic response. We coordinated obtaining PPE supplies and deliveries. We assisted the Fire and Police Departments with sanitizing of emergency vehicles and town buildings. We provided training for exposure prevention to the emergency services. We also continue to work with FEMA to obtain reimbursement from the government for pandemic related expenses.

The most important thing that you can do to keep your family and your home safe is to be prepared. The website www.readynh.gov has information about emergency kits, planning and contact information.

Should you have any emergency preparedness or E911 addressing questions, please feel free to call or email me.

Francestown Highway Department

2020 Annual Report

In 2020 the Highway Department completed reconstruction of Bible Hill Road. Over 3000 yards of screened gravel was added to the road base. This was done as an additional lift of up to 1' or in a remove and replace fashion where unsuitables were removed and the screened gravel was added. On top of the whole project was added 6" of crushed bank run. Compacting was done throughout the process in lifts. All materials were hauled with department trucks with the exception of crushed from Bennington. One contractor supplied truck assisted in that. Approximately 6-800' of under-drain was added or replaced. Along with the road job we were asked to remove asphalt and return Bible Hill Extension to gravel. This was also done and the road graveled and chloride added. Project was completed with 3" of asphalt and backing up the shoulders. My thanks to the residents of Bible Hill for their patience in both waiting their turn as well as during construction.

Other projects included brush cutting on Turnpike north and south, as well as Poor Farm Road, Muzzey Hill and various other areas of Town.

Culvert cleaning was done, as needed, Town wide and the backhoe has really worked out well. I would like to note that it may seem we don't get to a specific culvert in a timely fashion. This can be the case but it's just as likely in a heavy rain event debris has washed in and plugged it right behind us.

Grading over the summer was a challenge because it was so dry. The grader was on Turnpike North almost weekly. Every time we grade, it loosens up the surface and with no moisture it washboards and blows off as dust. Graveling was done on Turnpike North, Pherson Road, Poor Farm Road as well as smaller sites across Town. A culvert was replaced on Oak Hill Road.

Highway was involved in the reconstruction of the Police Department parking lot.

In November we received the new truck that was approved and it is working our very well. We would like to thank the Town for their support of the Highway Department.

Monthly Programs ~

Meeting Rooms ~

It was an exceptionally challenging year for the George Holmes Bixby Memorial Library! The Trustees and staff had just begun a full year of exciting and interesting programs as well as further innovations to library processes and practices and improvements to the building and grounds. All was humming along until COVID-19 forced the termination of all in-person activities of any sort to include browsing and programs.

As the professionals they are, the library staff rose to the occasion. Director Laura Abrahamsen had been on the job for only eight months when she was faced with difficult decisions. Because every library was in the same position, Laura was quick to collaborate with the NH State Library Association as well as with the Nubanusit Library Cooperative which serves to share innovative ideas and resources among local library Directors. Guidelines for common practices were developed and amended as the situation changed from week to week. Because decisions made by each library were based upon the physical configuration of the building itself, there was no one size fits all solution to social distancing and management of materials. As the staff settled into their new routine, patrons were able order books remotely and pick them up without entering the building. As the situation eased up a bit, the library was again open for browsing with some occupancy limits. There was a brief sigh of relief until there was a spike in the number of cases. There was then a return to curbside service. In spite of it all, the library has remained a source of resources and books for those stuck at home and for families whose children must learn remotely.

In April, our beloved Children's Librarian, Bev Bruster, made the difficult decision to move south to live near family. In her tenure, she had developed strong relationships with Francestown families and had utilized her incredibly creative skills to provide exciting programs and activities for children of all ages. She is sorely missed. But even in the midst of the pandemic, Laura was able to hire Chloe Kipka, yet another creative Children's Librarian. Her challenge has

been to get to know the children and families when face-to-face meetings are not possible. She has expanded the use of Facebook and Instagram to reach families while providing activity kits and reading opportunities. She has provided resources for families who are home schooling and those who are assisting their children with remote learning. Think of what she will be able to do when library life is back to normal.

The Trustees have continued to attend to the outdoor space, completing the landscaping both in the front of the building and in much of the children's activity area thanks to the dedication of Moe Baptiste and her trusty crew. In addition, attention to the technology needs of both patrons and staff has been a priority. A new computer for the circulation desk has served to speed daily processes. Biblionix, a library management system, serves as an avenue for communication with patrons, a book collection management tool and a process for capturing daily statistics. We are also in the initial stages of the development of a new and improved website!

The Trustees have been fortunate to receive several generous donations in 2020 which will allow us to accomplish some of the tasks that remain on the to-do list. A generous bequest from the estate of Dariel Peterson, a very generous gift from the Houston family and the annual gift to the Children's Library from the Francestown Academy enable us to continue to enhance services and maintain the interior of the building. Many thanks to all who have given donations both large and small.

Many, many thanks to Laura, Chloe, Donna Barbalato and Ruth Behrsing for their hard work, dedication and flexibility in the face of such a challenging year. The community is so very fortunate to have such a capable team! Thanks again go to Henry Kunhardt for his steadfast attention to the heating and cooling system which sometimes has a mind of its own.

In 2020, Peggy Merrow was elected to her first term as Trustee and currently serves as Treasurer. The Board is a hard-working, energetic group that is willing take on any task. Their dedication to the library and commitment to continued development of its potential help to ensure that the George Holmes Bixby Memorial Library will remain a centerpiece of the community.

The public is welcome to attend the monthly meetings of the Board of Trustees. Check our website and local public postings for dates and times.

Library Director

2020 Annual Report

The first sentence of last year's annual report declared 2019 to be an "eventful year." I just had to throw down that challenge, didn't I? 2020 certainly stepped up.

We began the year with great plans for programming for adults and children, a brainstorming session with the Trustees for strategic planning, and a new system of

organizing picture books in the Children's Library. Everything was humming along. We had an Etiquette Tea Party hosted by Lisa Swarbrick, and Dr. Mahmoud Rashidi was going to talk about his book *Mind Medicine* to a capacity crowd. Then the phone started ringing: everyone who had responded that they were coming to the talk called to tell me that they were canceling; that they didn't want to be in a roomful of strangers. I postponed the program, fully expecting to reschedule it for the next month.

That was in early March 2020. What has followed is like nothing I have ever experienced in my life. Libraries across the country and across the state shut their doors to the public. We didn't even accept returns because we didn't know at the time whether library materials were a source of virus transmission. The New Hampshire State Library began weekly Library Directors' calls so we could collectively determine best practices for our libraries. Over time, we gradually began serving our patrons again, whether through virtual and digital offerings, pick-up service, or even reopening our buildings, albeit with limited capacity and/or hours of access. We became proficient at virtual platforms and creating activities that could be done at a social distance or taken away from the library. Through it all, library directors made the best decisions they could for the safety of their patrons and staff based on local conditions.

Despite the challenges posed by everything 2020 brought, we did manage some major accomplishments for the library. Among other things, we

- Migrated from LibraryWorld to Biblionix Apollo, a Z39.50-compliant ILS system for patrons/collection, funded by a CARES Act grant. Biblionix allows online reserves, suggestions for purchases, library-card applications, and other enhanced features.
- Circulated 2188 items to our patrons from 8/11/2020, the first day of Biblionix Apollo, through 12/31/2020, despite different levels of pandemic service. For the entire year 2020, we circulated only 239 fewer items than for the entire year 2019.

- Borrowed 104 items for our patrons and lent 98 to other libraries through the end of the year after Interlibrary Loan service resumed 9/15/2020.
- Hired a new children's librarian, Chloe Kipka, after Bev Bruster moved back to VA at the start of the pandemic shutdown.
- Established weekly communication with the Wowbrary email newsletter to keep patrons informed about library services.
- Developed new technological competencies and connections with local and regional community organizations to co-sponsor programming on Zoom.
- Refreshed the collection by judicious weeding and monthly acquisitions.

We saw some growth in the use of the digital resources offered by New Hampshire Downloadable Books. We deliberately chose not to produce a lot of original virtual programming because we knew that many of our patrons either did not have good broadband access or did not use computers and that those that did were “screened out” by the demands of remote education and/or work. We have done our best to provide alternatives that still put library materials into the hands of our patrons and games, crafts, and activities that can be done in the real world, rather than the virtual one.

I am leery of making any predictions, lest 2021 try to outdo 2020. We are here, we want to serve you, and we look forward to a future where we can do what we do best: provide opportunities for education, enrichment, and entertainment for anyone in Frankestown.

A full statistical report is available at the library, and online at the New Hampshire State Library website: https://www.nh.gov/nhsl/lds/public_library_stats.html.

Mission Statement:

Our primary mission is to enforce the laws of society, maintain order within the community, protect life and property, and to assist the public at large in a manner consistent with the rights and dignity of all persons as provided for by the law under the Constitution of the United States and the State of New Hampshire.

Francestown Police Department

2020 Annual Report

To the honorable Board of Selectmen, Town Administrator, and Francestown citizens, I would like to take this opportunity to submit this report for the Francestown Police Department. This report will detail changes within our agency, as well as departmental activities from January 1st, 2020 to December 31, 2020. First and foremost, the mission of the Francestown Police Department is to provide quality protective services, while maintaining a professional and courteous manner at all times. Working with the people of Francestown is a truly cooperative effort, which helps to insure the welfare and safety of all.

Personnel: The Francestown Police Department is currently staffed by Officers Frederick Douglas, Juliane Wigsten, and myself. Officer Douglas brings a wealth of law enforcement experience, and continues to remain a dedicated professional, and valued asset to the Francestown Police Department. Officer Wigsten is a recent hire; she has performed well during her brief tenure with us, and she will be attending the Part-time Police Academy soon.

Animal Control Officer (ACO) Don Abbott retired. Assisted by his wife Linda, they provided excellent service to the Francestown community, and we wish them all the best. For 2020, they handled a total of fifty-seven (35) calls for service. Our current ACO is Dale Green. She has worked previously with the Hillsborough Police Department, and her experience and knowledge makes her a welcome addition to the Town of Francestown.

Training: Throughout the course of 2020, our officers attended various training sessions in order to stay proficient performing their duties. These training sessions included both mandatory subject matters such as recertification with firearms, and general training sessions. There was continuous in-service training pertaining to various required subject matters including motor vehicle, criminal law domestic violence, drug investigation, juvenile law, police ethics, and Implicit Bias training, to name a few. I was also fortunate to attend a two week Command Management training course at Roger Williams University in Portsmouth, RI. This type of training not only delivers a well-trained and organized professional law enforcement agency to the community, but can assist in shielding the municipality from vicarious civil liability.

Closing Remarks: On behalf of the Francestown Police Department, we would like to extend our sincerest thanks to the citizens of Francestown, the Board of Selectmen, and Town Administrator. The year 2020 has been difficult for many; pandemic health and safety issues, racial bias, and recent political divisions are of great concern. Please remember that the Francestown Police Department is available to all in the community, regardless of ethnicity, color, or belief system. Lastly, I wish to thank all members of the Francestown Police Department, for their dedicated service to the community, while helping to insure the safety and welfare of all.

Public Assistance Administrator

2020 Annual Report

During the past year assistance was provided to 2 new clients in the form of housing, food and heat, and intermittently to 2 existing clients. Assistance to the new clients was terminated when they moved out of town. But 2020 will be remembered as the year of the pandemic and initially it raised concerns regarding the possible significant effect it would have on the public assistance operating budget. Fortunately, to a great extent this did not occur. This might be attributed to increased unemployment and stimulus benefits. Or, the dramatic change to remote working and learning causing the re-allocation of reduced income. Expenses related to child care, costs of commutation, entertainment and dining were also reduced. Simply put, families did not seem to find themselves in straits dire enough to seek assistance from the town. A significant and generous private donation to the Public Assistance (Trust) Fund (not to be confused with the Legal/ Public Assistance Fund approved at Town Meeting to offset unexpected spikes in either legal or welfare expenses) allowed me to disburse discretionary funds in possible Covid-19 situations lessening the impact to the operating budget. Covid-19 is still with us and will be for the foreseeable future. My hope is that it can be managed effectively to maintain some budget stability.

Waste Disposal Committee

2020 Annual Report

The Transfer Station, like all other facets of our lives, has had to conform to proper Social Distancing practices in early spring due to the COVID 19 pandemic. The Swap Shop was closed and has not reopened as of yet. The Recycling Room has been measured off and marked accordingly. There is a sign posted on the outside of the building requesting only 2 patrons at a time inside the building. At all other stations it is up to the individuals to follow the proper protocols. We appreciate everyone's cooperation and understanding during this time.

In July of 2020 one of our long-time attendants retired. Heather Ayers worked at the Transfer Station for more than 23 years. Her smile and willingness to help everyone is missed by all. We wish her nothing but the best going forward. Our 2020 team was Senior Attendant George Cilley Sr., Attendants Sam Giza, George Morgan Sr. and newest attendant Carl Henry Hardwick III. A huge thank you to our awesome team for your efforts in keeping our Transfer Station safe and clean.

In August we hosted our Bi-Annual Household Hazardous Waste Day. It was a very successful day. All residents that brought something in were able to leave it, while remaining within our budget parameters.

The State of NH has a goal of a 40% recycling rate. In 2020 Francetown is at a 38% recycling rate. We transferred a total of 707 tons with 264.26 tons being recycled materials and 442.72 being compactor materials. Our recycling effort has dropped below the 40% goal for a variety of reasons. The pandemic kept us from recycling for a couple of months until we had the correct practices in place. Not recycling #'s 3-7 plastics is also affecting our rate. We need to work together to bring our recycling rate back up over 40%. One way is composting instead of compacting. If you're interested in getting started in composting, compost bins, stirrers and kitchen buckets are available for purchase at the transfer station. See an attendant for more information. Also, packaging carries a lot of waste. When shopping, try to pick the item not surrounded in plastic or cardboard.

Revenues are generated two ways at the Transfer Station.

One way is resident fees for E-Waste, CD & Bulky and Tires. Aluminum Cans and Metal (all collected and sold) is the second way. There was \$14,239 put into the general fund in 2020 for

Transfer Station & Recycling Facility

~ Scrap Steel

~ Aluminum Cans

~ Electronics**

~ Appliances**

~ Batteries

~ Construction/Demolition Debris**

~ Used Oil

~ Yard Waste

~ Tires

****Fees may apply.**

all of these commodities sold. Of that, the residents generated \$9,914 for CD & Bulky, Tires & E-Waste.

The contract with our present hauler, MDS, has been extended for 3 years. This contractor has proven to be a reliable hauler. Their knowledge and customer service is very valuable. The actual cost of working with MDS is comparable to other local haulers.

The Waste Disposal Committee is constantly looking for ways to improve our system and lower costs. We work with the Select Board and our vendors trying to ensure we are recycling as much as we can at a reasonable cost. We are happy to review all suggestions brought to our attention by residents.

Reduce Reuse Recycle. Let's teach each other that less **IS** better and we will pave the way to a successful Transfer Station.

Commodities	Tonnage 2019	Tonnage 2020		Commodities	Revenues 2019	Revenues 2020
Compactor (MSW*)	429.39	442.72		CD* & Bulky	\$7,321	\$7,355
CD* & Bulky	68.34	90.51		E-Waste*	\$2,028	\$1,715.11

Metal	42.77	35.3				
Totals	696.05	706.98				

*MSW=Municipal Solid Waste / CD=Construction Demolition / E-Waste=Electronic Waste

WE WILL MISS YOU GEORGE!

George was a friend to all including creatures great and small.

It is with a heavy heart we report that George Cilley Sr. passed away on Tuesday, February 9, 2021. George dedicated over 28 years to the Francestown Transfer Station & Recycling Facility. Our condolences go out to the entire Cilley family.

Rest in Peace George.

250 2nd NH Tpke S, PO Box 97

Fracesttown, NH 03043

Business Line: (603) 547-6664

Cell: (603) 620-3198

Emergency: 9-1-1

Email: fire.chief@fracesttownnh.org

Web: www.fracesttownnh.org/fire-department

Facebook: www.facebook.com/fracesttownnhfire

In 2020, the Fracesttown Volunteer Fire Department responded to 181 emergency calls, an increase of 42 calls over 2019. The Wardens also reviewed 185 requests for burn permits, which can be obtained online through the Fire Department's page on the Town's website, www.fracesttownnh.org or by going to the State website, www.nhdfi.org.

In addition to responding to typical emergency calls, non-emergency calls for service, trainings, and meetings, the men and women that volunteer to help protect their neighbors had to adapt and overcome new challenges created by the COVID-19 Pandemic. Members spent countless hours establishing, learning, and implementing new guidelines for every day interactions and emergency situations. This year, members attended meetings and trainings virtually, adapted to emergency situations wearing masks at all times, and practiced 6' social distancing whenever possible. We are more committed than ever to the safety of our members and our community.

In 2020 we received permission from the Selectmen to sell the body off the old Rescue Truck. \$4,500.00 dollars was returned to the general fund. In turn, the Mount Crotchet FireFighter's Association purchased a used utility/brush truck body for \$8,000.00 Dollars to mount to the old Rescue chassis. Our plan is to repurpose the old Rescue in to a Brush and All Hazards Response Vehicle.

Looking forward at future needs, the Fire Department is actively researching grant programs for replacing our mobile and portable radio units. The bulk of the radios currently in operation were purchased in 2006 through a State of NH Interoperability Grant at zero cost to the Town. We are now entering the tail end of operable life for these radios and finding replacement parts as equipment breaks is proving difficult. As has become practice to offset the impact on taxation, the Fire Department will look for assistance from the Mount Crotchet Firefighter's Association to complete this project.

As a Volunteer Department, we pride ourselves on our ability to respond to requests for help as well as interact with the public in non-emergency situations. We are fortunate to have a strong core of volunteers that are readily able to serve our community with pride. In turn, our mission could not be completed without the continued support of our community, for which

we are very thankful. As a Volunteer organization, we are always looking for new members; the Department will pay for required fire and/or EMS trainings. If you have questions or are interested please stop by the Fire Station on Wednesday evenings from 7:00 p.m. to 9:00 p.m., ask any member of our Department, or contact me directly at 603-620-3198 or fire.chief@francestownnh.org .

Although we recognize Fire Prevention in our schools each October, practicing fire safety should be a daily practice. Please be safe with fires, check your smoke and carbon monoxide detectors, practice family evacuation plans, and do not hesitate to reach out with a question or concern – our Department is here for you.

Report of Forest Fire Warden and State Forest Ranger

This year we experienced challenging wildfire conditions which led to deep burning fires in remote locations that were difficult to extinguish. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. The towers' fire detection efforts are supplemented by the NH Civil Air Patrol when the fire danger is especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

Between COVID-19 and the drought conditions, 2020 was a unique year. The drought conditions led to the need to have a Proclamation from the Governor, which banned much of the outdoor burning statewide. This, along with the vigilance of the public, helped to reduce the number of serious fires across New Hampshire. However, the fires which we did have burned deep and proved difficult to extinguish due to the lack of water. While the drought conditions have improved, we expect many areas of the state to still be experiencing abnormally dry and drought conditions this spring. For this reason, we ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: Always Be Careful with fire. If you start a fire, put it out when you are done. "Remember, Only You Can Prevent Wildfires!"

As we prepare for the 2021 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nh.gov/nhdfl/. For up to date information, follow us on Twitter: @NHForestRangers

AUXILIARY OF THE VOL. FIRE DEPARTMENT

Officers elected for 2020:

President: Karen St. Cyr
Vice President: Janet McSweeney
Secretary: Donna Barbalato
Treasurer: Judi Miller

2020 will be remembered as the era in American history when the COVID-19 pandemic changed our lives as we knew it. The Auxiliary functioned to the extent possible during the pandemic while observing the COVID-19 protocols. We are hopeful that next year we will be able to resume our normal activities, residents will have received the vaccine, and the Frankestown community can begin to move forward with the “new normal”.

A copy of the 2020 Frankestown Directory was mailed to each resident and distributed to town departments and the library in February. This edition is dedicated to “all the men and women who currently serve and who have served on the Frankestown Volunteer Fire Department, in law enforcement, and all branches of the Military.” In addition, it is “dedicated to all those who serve and who have served in the State of New Hampshire and throughout the United States.” The biennial publication includes a Directory for Town Departments and other information, a Town map with an Index Map and Locations, an updated Residential Section, and a Business Directory that promotes the “Shop Local” initiative. A variety of new local business listings are included along with long-standing businesses that support this community-building and primary fundraising Auxiliary project. To date, in excess of \$18,000 has been donated to the Town’s 100 % volunteer fire company toward priority needs, resulting in savings to taxpayers.

The Auxiliary provided refreshments at two extended calls for on-scene firefighters and personnel from area departments who provided coverage at the Frankestown fire station.

Town Meeting was held on March 14th as planned although the customary refreshment concession hosted by the Auxiliary was unavailable. Additional Auxiliary activities that were cancelled included the preparation of a traditional corned beef dinner in advance of the Fire Warden’s Annual Meeting at the firehouse in March and participation in the Fire Department’s “Fire Prevention and Safety” program for Frankestown school-age children.

The semi-annual Red Cross blood drives held at the Frankestown Elementary School in March and in November, began in 2002 as a result of the events of 911, were not held this year. This is the first time in eighteen years that the Auxiliary was unable to sponsor this important event. We are hopeful of resuming the blood drives in 2021.

A brief, yet memorable Veteran’s Day Service sponsored by the Patriotic Purposes Committee was held on Wednesday, November 11, at 11 am. COVID-19 protocols for social distancing and masks were required. A stunning hand-made quilt, designed in a red, white and blue patriotic pattern, was won by a Frankestown veteran. The Auxiliary is grateful to our Quilt Angel for the gift of her special quilts that bring joy to a veteran and acknowledge their service.

The Auxiliary, as a sponsor of the Welcome Basket Project, shared the pleasure of welcoming many new families to our special community this year. The pandemic created a lot of different hardships for many of our neighbors and friends. Thanks to the efforts of the Community Church, the Auxiliary of the FVFD, the Frankestown Friends, Inc., and numerous residents, special joy at Christmas was made possible for over fifteen families.

Judi Miller, a long- time valued member of the Auxiliary who capably served as Treasurer, announced her “retirement”, effective at the end of 2020. She will be missed – as a colleague and friend, and for her expertise. We wish her the best as she focuses on a new chapter in her life.

Budget & Advisory Committee
2020 Annual Report

BUDGET PROCESS

During the past year, the BAC met with Jamie Pike, Town Administrator, the Selectmen, Department Heads and interested parties to review the operating budget and proposed warrant articles. BAC meetings are open to the public and held in the meeting room at the Town Offices; notices are posted in the Post Office and Town Offices. Interested parties are encouraged to attend.

The BAC reviews each year's budget proposals under the following operating/guiding principles:

- Utilize a three-year historical review of trends in actual expenses and previous budgets,
- maintain existing level of services,

2021 BUDGET & WARRANT CONSIDERATIONS

The current proposed budget, supported by the BAC, is a 1.7% decrease (before bond payments) over the 2020 approved budget. During budget sessions, the BAC worked with the Town Administrator and Selectmen on departmental budget proposals, focusing on: pay increases, Government Buildings, Police, Fire, and Highway & Streets.

Regarding other warrant articles, the BAC supports the capital improvement plan, additions to expendable trust funds, the special Covid-19 contingency fund, a new police cruiser, horseshed roof repairs, overlay paving of 2nd NH Turnpike, an equipment shed on the ballfield, replacement of Fire Department radios and a new swim platform for the town beach.

For more information on all warrant articles, including the budget, plus BAC findings and recommendations, please see the complete Budget & Advisory Committee Report, available prior to Town Meeting. This year's report will be posted at the Francestown Post Office, Library, Town Offices and on the Town's website by the end of February.

Special thanks to Jamie Pike for his diligence and assistance with this year's budget and thanks fellow Committee members: Tom Anderson, Stewart Brock, Judi Miller and John Thalhauser for their participation in and dedication to the preparation of our 2021 budget recommendations.

As directed by a vote of the 1978 Town Meeting, the duties of the Budget and Advisory Committee (BAC) are:

- to advise and assist the Selectmen as requested,
- to participate with the Selectmen in the preparation and final compilation of the annual Town Budget, and
- to publish and post not less than fifteen (15) days prior to Town Meeting in two or more conspicuous locations within Town its findings and recommendations regarding each item of the budget and all articles proposing capital expenditures as approved by the Board of Selectmen.

4' X 10' Casket \$800.00
4' X 10' Cremation \$800.00—8 cremains

Cemetery Commission

2020 Annual Report

There were 6 internments in Cemetery #3 in 2020.

Cemetery #3 suffered from the drought conditions, plus some overactive turkeys having dust baths. Selected areas were reseeded in the fall.

The rules and regulations handout is complete and available to anyone buying a lot.

The survey is almost complete and will be used when trying to find a lot for sale in No. 3, which is the Town's only active cemetery.

Cemetery #1—Behind the Old Meeting House

Cemetery #2—New Boston Road at Mill Village

Cemetery #3—2nd NH Turnpike South

COVID-19 Policy

1. We strongly recommend that those in groups follow the guidelines established by the CDC and COVID-19 orders issued by Governor Sununu. Links to these are found on the Town website.
2. Therefore, the Trustees recommend those gathering in groups in the cemeteries (including, but not limited to, guests, funeral directors, and pall bearers) wear masks or other face coverings whenever possible and practical.
3. We also strongly recommend social distancing (standing at least 6 feet apart) for persons in the cemeteries, whenever possible and practical.
4. Military honors are allowed in accordance with the rules of the respective military branches.

Fracestown Conservation Commission
2020 Annual Report

This was a particularly challenging year due to impacts from the coronavirus pandemic, most of our planned programs and activities were canceled, and our usual methods of conducting conservation commission business had to be modified. Meetings were held outside when appropriate, and inside following safe social distancing guidelines when not. Spring conservation conferences and workshops were canceled; later ones were either canceled or held remotely through Zoom or other platforms.

We welcomed new alternate member Jeff Briggs this year, a retired forester with lots of natural resource and forestry-related experience, and were pleased to have the assistance of Kaela Law as minute's clerk for a few months.

Our planned Earth Day celebrations - a composting workshop and roadside cleanup event - were both canceled. The special blue roadside trash bags were later made available at the town offices, post office and transfer station for those interested in doing roadside trash pickup on their own, and composting supplies and rain barrels purchased to sell at the composting workshop were instead made available at the Fracestown Community Market. Composting bins and pails are still available if anyone is interested.

Seedlings were purchased from the State Forest Nursery to pass out to elementary school children as we usually do every year. We were not able to do this at the school, but we did try to distribute the seedlings to as many children as possible. The Joan Hanchett Nature Series program was also canceled, as was the community connection project we were involved in through the school. Commission members voted to expend \$500 from the conservation fund to support outdoor environmental education efforts and enhancement of wildlife habitat at the Fracestown Elementary School. (At the time it was hoped that schools would be functioning somewhat normally by September.)

Trail maintenance remains an ongoing responsibility – and with miles of hiking trails to care for we are extremely fortunate to have some very energetic and enthusiastic volunteers that take care of much of the trail work. We are very grateful for the help! This year, with people looking for safe outdoor activities, the trails saw a very high level of use. This is gratifying to see, though it also brings some concern about possible impacts to the environment and wildlife. We are pleased that so far we have not seen any serious problems. Mission Statement:

The Conservation Commission is the official municipal agency charged with the responsibility for the proper utilization and protection of our town's natural resources as defined in NH RSA 36-A. It is a seven-member board of appointed volunteers (with additional alternates). The Commission manages about 1400 acres of Town-owned conservation land, most notably the 900-acres Crotched Mt. Town Forest. The Commission applies for grants for land acquisition as well as a variety of conservation projects, monitors conservation easements held by the Town, builds and maintains hiking trails, and organizes educational events, work days, clean-ups and Earth Week/Day observations.

on our town forests and other conservation properties is available on the Conservation Commission page on the town website.

Members voted to accept the inventory and forest management plan completed by consulting forester Ron Klemarczyk for the Fisher Hill town forest. It was determined after site walks and discussions with the forester that it would not be worthwhile to do a timber harvest in this forest: net proceeds from a timber harvest would be relatively small, and it would considerably alter the characteristics of the forest. It was agreed instead to move forward with constructing bike trails and a trailhead parking area. A group of volunteers led by conservation commission member and avid mountain biker Jim St. Jean built the first trail in the forest, and Rick and Steve Miller put in a new trailhead parking area at the entrance to the forest. The trail was built with mountain bikes in mind, but is open to all non-motorized users.

Boundaries of both the Crotched Mountain town forest and Fisher Hill town forest were blazed and painted, some signage refreshed in the town forests, picnic tables repaired and/or replaced, and an old birding blind damaged by an uprooted tree was demolished and removed with help from volunteers.

At the request of the Selectmen we considered and agreed to support releasing two portions of a parking easement to allow for straightening out East Road, this is related to a septic system replacement project for the nearby condominiums. We also received a query about target shooting on town conservation land: the particular property in question has an easement that prohibits posting against non-motorized recreational use unless the use is materially damaging to the property or harmful to the conservation values of the particular property; no action recommended.

Commission members reviewed and commented on Zoning Board of Adjustment variances/special exceptions related to conservation overlay districts for: Taft, tax map 12/ lot 19; O'Rourke, tax map 5/ lot 85; Bellino, tax map 3/ lot 95, and; Wright, tax map 16/ lot 4. We also reviewed and commented on proposed subdivision and site plan design applications submitted to the Planning Board for Shattuck (map 3/ lots 17 & 18).

Annual fall monitoring of town-held conservation easements and fee-owned parcels was completed this fall, and while no new issues or problems were discovered, a couple of illegal campfire sites were found and dismantled in the Shattuck Pond town forest earlier in the year. Welcome letters were sent out to the new owners of two different conservation easements (Stone/Dunscombe and Varnum easements). Reports were submitted to NH LCHIP and NH LCIP authorities for appropriate properties as required per grant conditions.

In spite of the many difficulties the year brought, we were pleased to be able to continue working with other conservation organizations to support environmental and conservation initiatives in Franconia. We helped the Franconia Land Trust protect 20 acres of land along the Piscataquog River by contributing \$3,000 for a secondary interest in a conservation easement they hold. This easement area is adjacent to other town-held conservation interests as well as other land protected by FLT, extending and connecting the conservation corridor along the river. The commission also voted to support the continuation of stream research and native brook trout studies in Franconia by contributing \$1,600 towards research equipment for the project originally initiated by Franconia resident Barry Wicklow and his students from St. Anselm College.

The Conservation Commission is the municipal agency responsible for seeing to the proper

utilization and protection of the natural resources and watershed resources in our town. Our natural resources are critical to our well-being and quality of life. We remain committed to helping conserve and manage them in the most appropriate and effective way possible.

We thank the many people who volunteer their time to assist us with our work; it is truly appreciated.

Thank you for your ongoing support.

SCHEDULE OF TOWN CONSERVATION LANDS

TOWN FORESTS (total 1492.238 acres)

- | | | |
|----|---|---------------|
| 1) | Shattuck Pond
(Curren/McDonnell purchase, LWCF/LCHIP Grants) | 417.3 acres |
| 2) | Crotched Mountain Town Forest
(King, Merrill, Schultz, Hardwick, Tamposi, East Rd, Fire tower,
former fire tower site, and Northfield Mt. Herman) | 948.428 acres |
| 3) | Driscoll Hill Town Forest
(Bowman Tract - off Driscoll Hill Road -1989) | 53.6 acres |
| 4) | Lord Town Forest (Ferson Road -1974) | 27.91 acres |
| 5) | Piscataquog River Town Forest
(Behind/beside transfer station -1984) | 6.0 acres |
| 6) | Fisher Hill (Wharton Lot) Town Forest (2007) | 39 acres |

OTHER TOWN-OWNED CONSERVATION LAND (636.34 acres)

- | | | |
|----|--|--------------|
| 1) | Cilley I - donated, deed restrictions | 3 acres |
| 2) | Cilley II - donated, deed restrictions | 7 acres |
| 3) | Old County Rd N. (former Kampe lot, FLT' easement) | 23.72 acres |
| 4) | Old County Rd N. (Fisher Mill site, FLT' easement) | 2.46 acres |
| 5) | Dinsmore Brook Conservation Area (2007 & 2010) | 302.7 acres |
| 6) | Piscataquog/Rand Brook Confluence (Stewart, 2010) | 52.83 acres |
| 8) | Crotched Mountain (2011- SPNHF-old ski area) | 234.63 acres |
| 9) | Journey's End Black Gum Swamp (FLT' easement) | 10 acres |

CONSERVATION EASEMENT/DEED RESTRICTION (361.17 acres total)

- | | | |
|----|--|-------------|
| 1) | Pleasant Pond/Piscataquog River-Hill
(Off Pleasant Pond Road, donated by Ellen M. Hill) | 144.9 acres |
| 2) | Piscataquog River - Varnum
(Poor Farm and Todd Roads, donated by Harry & Connie Varnum) | 45.6 acres |

3)	Piscataquog River - Dunscombe (South New Boston Road, donated by Karen Dunscombe)	22.63 acres
4)	Whiting Brook - (Off route 136, donated by Anthony Davis)	25.26 acres
5)	Humphreys (Dodge Hill Road, donated by Keith & Maris Humphreys)	12.3 acres
6)	Bicknell/PWA (2006 - Russell Station Rd & Cressy Hill))	75 acres
7)	Murray- Piscataquog River - (2006 Donated by Patricia Murray)	2.5 acres
8)	Avery - (Cr. Mt., donated 2008)	20.1 acres
9)	Fracestown Land Trust/Connard - (2019 - Cross Rd. Deed Restriction)	12.88 acres

EXECUTORY INTEREST (Secondary Easement Holder – 585.65 acres)

1)	Jones - (FLT, New Boston Road)	56 acres
2)	Howe - (FLT, donated 2006 Red House Road)	29.26 acres
3)	Neilley - (FLT, donated 2010 Old County Rd S)	9 acres
4)	A. Arnold - (FLT, donated 2010, Old County Rd N)	6.46 acres
5)	Lord - (FLT, modified 2010)	9.72 acres
6)	King- (SPNHF, 1989, Candlewood Hill)	61.1 acres
7)	FLT/Turner - (SPNHF, 2008 Russell Station Rd.)	86 acres
8)	Kingsbury Hill Farm - (2012, Candlewood Hill Rd)	59 acres
9)	Brennan Falls - FLT/Schott (2014)	149.46 acres
10)	Collins Brook Headwaters - (FLT, 2017)	99.65 acres
11)	Clarkville Road—FLT (New 2020)	20 acres

Information on conservation land that the town does not own or hold an interest on is available in the Natural Resource Inventory on the conservation page of the town website.

Heritage Museum

Curators:

Bill McAuley

Bob Abbott

Jennifer Vadney

27 Main Street, PO Box 5

Francestown, NH 03043

Phone: (603) 547-8320

Email: wfm03043@comcast.net

Web: www.francestownnh.org/heritage-museum

Mission Statement:

Simply put – “education”. To instill an appreciation of the difficulties faced by our ancestors and what they did to improve their lives and thus ours. Only by understanding where we’ve been can we continue to move forward. While we want everyone, young and old, to be amazed (and possibly amused) by the relics of the past, our primary focus is on our youth. They are the future and a firm understanding of the challenges faced by their forbears will help them face their challenges in the future

Francestown Heritage Museum at the Thulander Building

2020 Annual Report

2020 was a year of both accomplishment and frustration. Our expansion into the lower level has been accomplished. However the pandemic kept us from opening so folks could not visit the museum and browse the exhibits – very frustrating. On the up side, we will be more than ready to open for visitors in 2021. Exhibit donations have continued and are increasing in both scope and number.

Other activities for the year included:

- The Mont Vernon Historical Society co-sponsored a program on the Second New Hampshire Turnpike with us. This was presented in the Town Hall and was attended by over 100 guests. The program explored the impact of the turnpike on the citizens and towns through which it passed. The program included over 100 slides contrasting what a traveler on the Turnpike would have seen in 1800 with what they would see at the same spot today. The preparation of this program entailed extensive work with the Historic Societies in the other Turnpike Towns.

So this is an interactive annual report – can you answer:

- How long was the Turnpike
- How long did it take to build the Turnpike
- How many towns does the Turnpike pass through
- We were fortunate to have a collector of old tools (Jane Butler) open her shop (Timeless Tools and Treasures) in Bennington and she has been able to provide us with information for our newsletters as well as exhibit sources.
- New donations covered every class of exhibit we have (Fire Fighting, Commerce, Transportation, Agriculture and Domestic Life). We now have some 348 exhibits on display.

- Our monthly newsletter readership has continued to grow. If you would like to receive your own free monthly edition please send your e-mail address to wfm03043@comcast.net. You will then receive this monthly offering via e-mail BCC. We see this form of media as a way to provide a glimpse into the scope of our exhibits as well as some historical information and insight along with some occasional bits of whimsy.
- The Visitors Guide for all five exhibit areas has been completely rewritten. New and more informative signage has been prepared for each of the exhibits.
- Anyone interested in becoming an active guide at the museum is encouraged to send an e-mail to wfm03043@comcast.net and they will be contacted with details.

In 2021 we hope to again be able to welcome visitors preferably without the specter of COVID-19 hanging over us all. We hope to have completed a virtual tour of the museum which we can place on the Town Web Site. The curators of the Francestown Heritage Museum would like to thank the Board of Selectmen for their support and all the volunteers whose countless hours have contributed to the success of the Heritage Museum. We are proud to be a participating member of the Town Common Historic District.

ANSWERS TO TURNPIKE QUIZ – 53 miles; 2 years (1799-1801); 14 towns (Amherst NNW to Claremont).

Francestown Planning Board

2020 Annual Report

The 2020 Planning Board moved to on-line Zoom meetings in May due to COVID-19. The Board worked on updating the Master Plan Water Resources Chapter. Zoning Ordinance changes recommended by the Board were approved by the 2020 Town Meeting vote. The Board reviewed several cases, made recommendations to the Select Board regarding land use cases and held public hearings throughout the year.

The Francestown Planning board continues membership in the Southern New Hampshire Planning Commission (SNHPC) and to take advantage of its resources.

Francestown's representatives to the Commission include: Linda Kunhardt and Patrick Behen as Commissioners, Alfred Eisenberg and Jennifer Vadney as Alternate Commissioners.

Broadband and internet access continue as important issues in town. A committee was formed by the Selectmen to study options. Geri Bernstein was appointed as the Planning Board representative on the committee.

The board worked on updating the Town web site to better organize the Planning Board page to simplify access to information, forms and reports.

Master Plan Update:

The Planning Board continues to update the Master Plan. In 2020, including work on the Education and Water Resources Chapters. The Board continues to work with Resilience Planning and Design of Plymouth, NH on the Water Resources Master Plan. The project is funded in part by a Drinking Water Resources Grant from the NH DES.

The Education chapter update final drafts remain pending due to the CONVAL School Board budget and consolidation decisions.

Planning Board

Membership:

Karen Fitzgerald, Chair
Linda Kunhardt
Brad Howell, Ex-Officio
Thomas Anderson, Alt
Gerri Bernstein
Robert Lindgren
Lisa Heath, Alt
Patrick Behen, Alt
Sarah Pyle
Betsy Hardwick

27 Main Street, PO Box 5

Francestown, NH 03043

Phone: (603) 547-3469

Email: planningboard@francestownnh.org

Web: www.francestownnh.org/planning-board

Responsibilities:

Site Plan Review

Subdivision/Lot Line Adjustments

Sedimentation Control Review

Driveway Regulations

Master Plan

Scenic Roads

Deadlines:

Applications for Site Review and Subdivisions shall be submitted at least 30 days prior to the meeting of the Board.

Applications for lot mergers shall be submitted at least 15 days prior to the meeting of the Board.

Case Work and Hearings:

Case work included subdivision applications, lot line adjustments and site plan applications including:

- Public Hearing on four recommended Zoning Ordinance Amendments
- Two Public Hearings for Scenic Road Trimming by Eversource: town wide.
- Case #20-SP-01 Site Plan Hearing for Village Store
- Case No. 20-SD-01 Subdivision Application for a lot line adjustment submitted by Sanford Engineering for Property located on East Road, Tax Map 8/ Lot 16-2 and Tax Map 7/ Lot 3,3-1, and 4
- Case No. 20-SD-02 Subdivision Application for a lot line adjustment submitted by Sanford Engineering for Property located on East Road, Tax Map 8/ Lot 16-2 and Lot 119
- Case #20-SD-03: application for Subdivision and Lot Line Adjustment from Ronald and Melissa Shattuck. The property is located on Stevens Road, The Second NH Turnpike South, and Woodward Hill Road (Tax Map 3, Lots 17 and 18). A 5-lot subdivision and one lot line adjustment are proposed.
- Case #20-SP-02: application for Site Plan Review from Ronald and Melissa Shattuck for property located on Stevens Road, The Second NH Turnpike South, and Woodward Hill Road (Tax Map 3, portions of current lots 17 and 18). The applicants are proposing a commercial horse-riding arena.

CAPITAL IMPROVEMENT PROGRAM

The purpose of the Town's Capital Improvement Program (CIP) is to provide a valuable planning tool to help the Town anticipate, prioritize, coordinate and manage its capital expenditures. Capital expenditures are purchases of vehicles and various equipment items with a cost of over \$5,000 and have a life span of more than 3 years. Examples include dump trucks, fire trucks, police cruisers, self-contained breathing apparatus, radio equipment, and substantial facility repairs and updates. The CIP also considers non-capital items such as cyclical property revaluations.

The CIP is a 6 year plan but also looks far beyond that time frame as some items such as fire trucks and 10-wheel dump trucks take many years of planning. A major component of the CIP is the saving of funds in the Town's Capital Reserve Funds (CRF), making sure funding is available for these large expenditures when the time comes.

There are 5 major capital items for consideration for the 2021 calendar year;

- A new police cruiser to replace the 2014 Ford explorer. The cruisers are on a 6-year rotation schedule and have often been delayed a year due to being under the anticipated mileage and the vehicle being in good repair. If a cruiser goes beyond the mileage of 80,000 or requires extensive mechanical repairs it loses considerable trade-in or private sale value. The budget for this replacement is \$50,000 and will be funded by a withdrawal from the appropriate CRF.
- Replacement of the Horse Sheds roof along with miscellaneous repairs to the eaves as may be determined at the time. The current budget for this project is \$22,000. FIHS has pledged a gift of \$2,000 towards this project and the remaining funds would come out of the Town Facilities CRF.
- An ambitious project by the Highway Department to do a full overlay of the 2nd NH Turnpike South from Lyndeborough to Rte. 136. At a budget of \$340,000, this project would normally have required 2 years of continued investment to accomplish, but due to savings in the reconstruction of Bible Hill Road over the past 4 years, we are able to accomplish this project with only an additional investment of \$175,000. This is an excellent opportunity to save this approximately 3.3 mile stretch of roadway from further deterioration while only delaying Red House Road by one year.
- A project proposed by the Fire Department is a major radio upgrade for the Fire Department. This project is anticipated to be funded by a 95% grant from FEMA. The Mount Crotchet Firefighters' Association has been generous to search for, and apply for these types of grants by funding a grant writer. Although unsuccessful in the 2019 round of grants, they are hopeful for the next round. The total cost of this project is estimated to be \$145,000 with only the Town contributing \$7,250 from the Fire Equipment CRF. This grant does not replace all of the Departments radios, as those installed in the officers' vehicles are not included and will need to be scheduled for replacement soon after.
- The final proposed project is a carry-over from 2019. The Recreation Dept. has requested to construct a new equipment shed at the baseball field. This was originally approved in 2019 but not completed. The funds were carried over to 2020 but the contractor was not available to complete the construction. This project is budgeted at \$10,000 with \$5,000 being withdrawn from the Town

Facilities CRF and the balance to be withdrawn from the Recreation Trust Fund.

The CIP also provides for an aggressive plan for funding the Capital Reserve Funds as there are some major obstacles to overcome in the next few years, to include the purchase and outfitting of two 10-wheel dump trucks for the Highway Department in 2022 and 2023 respectively, along with the replacement of a hybrid pumper/engine for the Fire Department in 2025. This new vehicle will replace two existing trucks reducing the overall fleet to 5 major pieces of equipment. Cumulatively these three vehicles are anticipated to exceed \$1.3M. In years past, Unassigned Fund Balance (UFB) was relied upon to help offset the taxes raised to deposit into the CRFs. This current CIP includes a declining use of UFB over the next 5 years in order to diminish its reliance on UFB for its funding.

Other capital investments over the period of 2022 through 2026 include:

The replacement of the bridge on Old County Road North for an estimated \$1.5M with \$1.2M being provided by the State. Engineering for this project is expected to start in 2022/23 with a completion date in 2026. These funds are already accounted for in the Capital Reserve Fund and do not require additions at this time.

Town Facilities improvements include the repaving of the Transfer Station and the repair of the Bell Yoke at the Old Meeting House. (2022) It was found in late 2019 and further this past year that there was significant rot in the structure that holds up the clock bell. A temporary repair was made this year, but a full replacement of the structure will be required for a long-term solution.

Other items include;

The replacement of the Library Roof, estimated to cost \$25,000 in 2026. The roof was inspected this past summer, and immediately needed repairs were made, but plans must be made for its full replacement.

The addition of a stairway for easier access to the Beach at Scoby Pond.

The continued review of the infrastructure of all Town buildings to prepare a 10-15 year plan for the replacement of mechanical components, and;

Another project that the Select Board has discussed is the replacement of the carpet in the lower level of the Town Offices. An estimate for durable vinyl flooring was sought and came back at \$12,000.

The replacement of a 1-ton plow truck and police cruiser in 2024.

A two year project to reconstruct Red House Road in 2022/23 and to continue the program of road reconstruction for the continuing years. A plan will be developed in conjunction with the Road Agent and the Roads Improvement Committee to determine which road projects to include, and;

A statistical revaluation is planned and required in 2024. A statistical revaluation does not include the individual property inspections required by a full revaluation which was performed in 2019, but rather just looks at sales and market data to revalue properties.

The exhibits attached to this report include a comparison between the approved CIP and the Town Meeting Warrant and a summary, or short form, of the 6-year CIP with 4 years of historical data.

FIRST YEAR OF CIP AS COMPARED TO 2021 TOWN WARRANT

2020 Francestown Report
by Southern New Hampshire Planning Commission

The Southern New Hampshire Planning Commission (SNHPC) has a wide range of services and resources available to help member communities with a variety of land use planning and transportation challenges and concerns. Each year, with the approval of appointed representatives, the Commission's skilled staff designs and carries out programs of regional significance mandated by New Hampshire and federal laws or regulations, as well as local projects which pertain more exclusively to a specific community.

Often, Community Planning Boards, Conservation Commissions, and Governing Boards request assistance from SNHPC for traffic, pedestrian, and bicycle counts, grant assistance, specific studies, mapping, and facilitation services. Technical assistance is provided in a professional and timely manner as SNHPC carries out projects of common interest and benefit to all member communities; keeps officials apprised of changes in planning and land use regulations; and in conjunction with the New Hampshire Municipal Association, offers annual training workshops for Planning Board and Zoning Board members.

In 2020, some of the highlighted projects the Commission assisted the Town of Francestown with included:

- Conducting traffic counts
- Completing a roadway "bike level of stress" analysis and mapping
- Updating statistical geographies, such as census designated places, as part of the Census Participant Statistical Areas Program (PSAP)
- Decennial Self Response Rate in 2020: 70.5% compared to 2010: 68.1%
- Coordinating update and providing technical assistance on Community Hazard Mitigation Plans
- Providing culvert field assessments and analysis for the regional Vulnerability Assessment

The following outlined table details services performed for the Town of Francestown during the past year and includes both hours worked specifically for the Town and for projects involving multiple municipalities. In the latter case, the total hours spent by SNHPC staff are divided equally by the number of communities, resulting in time allotment attributed to each of the communities. An example of a regional project is the development of the New Hampshire Department of Transportation (NHDOT) Ten-Year Transportation Improvement Plan.

Hours	Description
143.5	Updated the Francestown Hazard Mitigation Plan as required by the Federal Emergency Management Agency.
89.9	Analyzed transportation needs of each municipality for inclusion in the SNHPC Metropolitan Transportation Plan. Added significant projects beyond the current Ten-Year Plan period with projected available funding to 2045.
32.8	Conducted 6 culvert field assessments in the Town of Francestown for ongoing development of the Regional Vulnerability Assessment; this work identifies climate related risk to culverts and small bridges.
27	Continued updating the regional travel demand model, which is used to forecast traffic volumes on roads in throughout the region.
24.1	Coordinated with regional municipalities and the NHDOT to develop the 2023-2032 Ten-Year Transportation Improvement Plan.

Hours	Description
22.3	Completed the congestion management process, which included working with municipal and state transportation officials in conducting assessments and identifying strategies for congestion management on federal and state route segments and intersections throughout the region.
15.8	Implemented the Becoming Age-Friendly Pilot Program Phase IV: Continued outreach efforts with community representatives and staff, created outreach materials from phases I-III including PowerPoint presentations and a new webpage.
15	Provided monthly information to the Planning Board regarding upcoming SNHPC meetings, project and grant updates, webinars and other training opportunities through the SNHPC's quarterly Newsletters, monthly Media Blasts and periodic E-Bulletins.
14.1	Completed a major update to the SNHPC regional Public Participation Plan including expanded regional planning outreach efforts to engage people and increase participation within underserved populations.
12.6	Represented the interests of the town on the Region 8 Regional Coordinating Council, coordinating community transportation, maintaining a directory of regional providers, and soliciting projects for Federal Transit Administration's (FTA) 5310 program.
11.2	Conducted a statewide volunteer driver program (VDP) survey to understand the impacts of COVID-19, created a forum for VDPs to review survey results and discuss needs and resources and continued outreach efforts to share VDP mapping tool with service agencies across the state.
7.8	Completed amendments and minor revisions to the FY 2019-2022 Transportation Improvement Program.
7.3	Participated in the NHDOT Complete Streets Advisory Committee. Provided feedback especially on mapping resources to be utilized in the NHDOT State Bicycle/Pedestrian Plan.
6.8	Assisted the Statewide Coordinating Council for Community Transportation in developing state-level coordination systems, working toward improved transportation options for communities statewide, and working with regional groups to establish regional councils.
6.3	Continued work with the Environmental Protection Agency (EPA) Brownfields Region-wide Assessment Grant for environmental studies and investigations to help move contaminated sites to clean up, redevelopment and reuse.
5.3	Coordinated with community librarians to conduct virtual volunteer fairs for the towns of Auburn, Bedford and Frankestown. Local volunteer driver programs in need of volunteer drivers, Meals on Wheels, and other local agencies were highlighted during virtual fairs. This program was supported by AARP NH.

Hours	Description
4.8	Updated and maintained the Commission's GIS transportation database for project evaluation. Updates included FEMA flood zones, NHDES dams, culverts, land use changes, and political boundaries among many others. The database was also successfully migrated to a new server.
3.4	Conducted outreach to towns for the development of Road Safety Audit (RSA) and Highway Safety Improvement Program (HSIP) funding applications to the NHDOT.
3.2	Assisted the town in preparing for the 2020 Census by partaking in the Participant Statistical Area program, New Construction program, and statewide Complete Count Committee. Assisted in outreach, encouraging residents to participate in the Census to ensure a successful self-response rate.
2.9	Implemented a Bicycle Level of Traffic Stress (LTS) analysis in which a rating was given to a road segment indicating the traffic stress it imposes on bicyclists. Staff completed LTS analysis on public roads within the SNHPC region through coordination with other regional planning commissions and Plymouth State University.
2.5	Developed regional transportation and safety benchmarks and performance targets in performance measurement categories such as Safety, Bridge and Roadway Condition, and overall System Performance (for transportation) to measure improvement over time.
2.2	Collaborated with Executive Director of the New Hampshire Land and Community Heritage Investment Program (LCHIP) to provide a virtual workshop about LCHIP-supported projects and funding in the SNHPC region.

Francestown Recreation Commission

2020 Annual Report

Recreation Commission

Membership:

Mike Beisang
Samantha Hardwick
Stephanie Hyland
Dawn Kirlin
Thomas Kirlin

27 Main Street, PO Box 5
Francestown, NH 03043
Phone: (603) 547-8320

Email: recreation@francestownnh.org
Web: www.francestownnh.org/recreation-commission

Activities:

*Francestown Community Market
ConVal Cal Ripken Baseball
Soccer & Tennis Camps
Yoga Classes
Swim Lessons at Scoby Pond
And so much more.....*

First, as the newest member of the Francestown Recreation Commission, I want to thank the entire community for supporting, participating and understanding our unique situation this year. I also want to say THANK YOU to the entire Recreation Commission, Dawn and Tom Kirlin, Mike Beisang, and Samantha Hardwick, for getting me up to speed and guiding me through every step!

There are many ways to describe 2020 and, unfortunately, fun and recreational are not two of them. Although deeply saddened by our inability to offer many seasonal activities, we met several times throughout the year to discuss and coordinate events that could be enjoyed safely.

Not even a pandemic could stop the Community Market from being a great success! This is due to the hard work and dedication of all those who came together to continue this town staple. The Winter transition into Town Hall was not possible due to COVID but there were still a record number of vendors this year. We are looking to expand in 2021! The Community Market served as a saving grace during a time of much isolation and will return as soon as outdoor weather permits.

Many were disappointed by the cancelation of the Tim Samuelson Memorial Fishing Derby. Extensive efforts were made to offer the event but permission was not able to be obtained from the state. We know this is very important to our community and are hoping to schedule the derby this Spring.

Although swimming was not offered this summer, the Recreation Commission is pursuing funding for a new swim platform for next season in Warrant Article #12. This will greatly improve Scoby Pond activities in the future and we look forward to announcing its completion. Other additions include at least one new basketball hoop and an equipment storage shed which will continue being built this year.

Fall festivities were limited but everyone was able to enjoy the Halloween decorations and Scarecrow Contest. There were Minions, a headless horseman, Ruth Bader Ginseng, and more! We can all agree they were a delight to see while driving through town. Thank you to the Village Store and the Community Market for setting up the voting stations. SHOUT OUT to all of the creative folks who participated - get your thinking caps on for Fall 2021!

Same goes for the Snowman Contest! The Forbush family definitely won the first round but we will be announcing pop-up events as the snow storms roll in. Be on the lookout for the next

virtual contest on the Francestown Recreation Facebook page. Build an impressive winter wonder then upload a picture of it to our page. Winners are announced at the end of each week-long contest! We look forward to all of your creations!

The newest addition to our town activities is the donation-based Community Online Yoga Class. Thank you to the generous neighbors that have been participating and donating since we started in October. Everyone is welcome to participate in this all levels class for functional movement and stress relief. It is held weekly on Tuesdays at 8am, via Zoom. Yoga will be offered throughout the year and may transition to in-person classes when possible. Email recreation@francestownnh.org for class details and Zoom link, or with any questions.

I summarize the last year humbly as I did not become a member of the commission until September. However, I think I speak for the entire team when I express my excitement for what next year brings. Some ideas offer new ways to gather while others will continue the traditions we cherish. For example, how about a community Spring Cleaning Sale for all the pickers and thrifters missing the swap shop and yard sale season? If you have a community activity or event idea that the town would enjoy, please email us the details. We are looking for a volunteer to fill one empty board seat. Come check out a monthly meeting to see if it's for you!

We all look forward to exploring, playing, and creating together soon!

Stay Well,

Stephanie Hyland

This has been a difficult year for all of us. The Covid-19 virus (a world wide pandemic) has changed how we live our lives. We need to be mindful, not fearful. No one wants to wear a mask, but it is a matter of respect to do so. How hard is it to wash your hands and keep a six foot distance. It has been reported that we had 12 cases of the virus in Francestown in 2020, with no deaths reported.

Adeline Rebecca Smith was born 12 December 1900 at the Beehive. Adeline was working in Hillsboro at the Hillsboro Bridge mill, she succumbed Influenza that was named the first world wide pandemic, the Spanish Influenza (lasting from February 1918 - April 1920) on 16 March 1918. Addie was 17 years old.

Community Church of Francestown

It was with sadness that the Community Church of Francestown announced that they could no longer afford the church building and that it would be sold. The fellowship, the efforts to hold events to enhance the lifestyle of Francestown will be different. The Community Suppers were a wonderful opportunity to see old friends and make new ones.

The Francestown Academy Corporation

On 13 October 2020, The Francestown Academy Corporation members met at the Francestown Volunteer Fire Department, this was the 201st. year. Next year the meeting will be held at the Town Hall . Thank you's were received from last years scholarship recipients. There were 6 applicants for scholarships, all granted. Donations were also made to the Library and Heritage Museum.

Francestown Improvement & Historical Society

This past year was one of the most unusual years in the history of the Francestown Improvement and Historical Society (FIHS) with the cancellation (for the first time) of the annual Labor Day celebration and parade. The pandemic also forced the closure of the Beehive and FIHS Lodge to the public, as well as all other events and activities. The one exception was the annual FIHS meeting, held outside in November with about 25 members in attendance. On the brighter side FIHS continued to sponsor seasonal flowers around the Town Common and the Police Station, U. S. flags on utility poles, the annual lighting of the Christmas tree on the Town Common, seasonal window candles in Town Hall, the Beehive, the Lodge and Village Store, and holiday wreaths for many public and private buildings. Final exterior painting and drainage work was completed on the Beehive, the home of FIHS and museum of Francestown's history. The three-year renovation project was funded by generous private donors and NH's Land and Community Heritage Investment Program. Also completed was the Village Store project, funded separately by private donors and an USDA grant. An investment office, artist gallery and store rented space in the renovated building. FIHS currently has 220 active members.

Charlie Pyle, President, Francestown Improvement & Historical Society

Old Meetinghouse of Francestown

The board of directors, thanks to your many generous donations, to keep this beautiful 1801 building in fine shape. We added indestructible granite thresholds, updated bathrooms and did touch up painting this year. It is our goal to keep The Old Meeting House a village focal point to be proud of.

Last year offered some challenges and The Old Meeting House met them. With the help of fire chief Kullgren we hung a Francestown Strong banner across the façade facing the town hall to buoy spirits.

We cancelled most of our planned events of course, but hosted three outdoor concerts featuring local musicians who have gone on to tour the world: classical cello music from Jacob MacKay; jazz from The Matt Savage Trio and pop songs from Marybeth MacKay and Jonah Bobo.

With the interior of the Meeting House off limits, it was time to get out the extension cords,

plug in the electric piano and guitars. We gathered on the lawn, distanced, in our own chairs. We wore our masks and stayed safe.

We noticed there was something missing, so we invested in a new indoor-outdoor sound system. Board member Gary Schnakenberg helped try it out and we very much approve. The OMH plans to provide a stream of concerts, talks, walkabouts and social events from May to Sept in 2021. Keep an eye on the Francestown News, our web site FrancestwonMeetingHouse.org and see us on Facebook for updates for the coming season.

The Meeting House is available for weddings at a reduced price to Francestown residents.

Consider donating, as we are a self-supporting nonprofit. If you'd like to volunteer, contact a board member and join this fun and rewarding work.

Francestown Garden Club

The Garden Club did not have a meeting in 2020 after the COVID emergency began in March. Though the club did not hold its traditional Plant Sale, it did sell members' donated plants from a stall for the first two weeks of the Farmers Market when it began in May. The club did do up-keep on the Triangle Garden. Karen Fitzgerald, Lori Gordon, Kim Socia, and Peggy Merrow helped design and start the new planting in front of the Police Station. Kevin Pobst

The Francestown Land Trust

Founded in 1986, the Francestown Land Trust (FLT) is dedicated to protecting the agricultural, conservation and recreational value of critical natural land areas in Francestown, New Hampshire, and nearby environs. A registered 501(c)(3) tax exempt organization, FLT can hold and monitor conservation easements, help negotiate land transfers, and, with public support, purchase sensitive properties. FLT is a completely volunteer organization that relies on private donations for its work and is separate from the town Conservation Commission.

Currently, the organization owns properties totaling 1,209.45 acres, including the Rand Brook Forest and Schott Brennan Falls Reserve. All land owned by FLT is open for public use. In addition, FLT holds conservation easements on 34 privately owned properties, helping to protect an additional 1,748.53 acres. With one Executory Interest, FLT helps to protect a total area of 2,983.25 acres.

In 2020 FLT acquired 3 parcels of land totaling 82.2 acres; all three of these parcels have frontage on waterways that are part of the Piscataquog River watershed, thus protecting water quality, wildlife habitat and recreational value. We also obtained Conservation Easements on two parcels totaling 107.25 acres with significant conservation values.

Welcome Baskets

Lori Hardwick-Way, her helpers and supporters make a difference in introducing new citizens to our wonderful town. Contact her if you are or know someone who is new to Francetown. Donations for the baskets are always welcome.

Chronicle of Boston

Ted Reinstein of WCVB-5, Boston Chronicle came to Francetown to do a segment about Haunted Lake, AKA: Scoby Pond. Brad Howell owner of the David Scoby homestead and I met with Ted and his cameraman Bob at Brad's house. Scoby Pond sparkled like diamonds the day of the interview. The wind picked up, making eerie sounds in the tall pines at the shore across from the Scoby house. We were trying to imagine how it felt to be on the shores of the lake when there were no roads, no stonewalls, there had been a fire, many of the forest had burned leaving only charred remains of the largest trees. It has been said that even the Indians and surveyors avoided the area after the fire. One story about how the Haunted name was attached was that two young men were headed for Hillsboro when they got into an argument, one killing the other. Another story is that two friends were hunting in the area, (circa 1741) one did not return as normal, he was found to be killed by a Catamount (Mountain Lion). One skeleton has been found near the outlet of the lake near where the Scoby Mill was built. Another theory is that the Scoby Boys used to frighten folks as they were going past their house and mill. Some surveyors were so frightened by the sights and sounds that they high-tailed it for home after a night in the vicinity. The interview is on YouTube.

Military

Navy—Lt. Commander Liam Delahanty
Army National Guard—Staff Sergeant Daniel Taylor
Army National Guard—Specialist Shauna Myers
Army—Spec 4—Meghan Hardwick

In 2019 Frankestown also mourned the loss of residents and former residents:

Margaret “Peggy” Halstead (Harwood) Tenney, 84, 8 August 1934 - 21 February 2019. Peggy had a kind nature, an easy laugh, liked raising golden retrievers and building kites for her friends. She was a resource specialist for children in several schools.

Richard Morton Edwards, 22 May 1942 - 10 October 2019. A longtime resident of Frankestown and Warner, New Hampshire. He passed away in Florida with his loving wife Bess of 56 years by his side.

In 2020 Frankestown mourned the loss of residents and former residents:

Douglas Oliver Landry, 15 January 1968 - 31 January 2020

Raymond Gregory Wallace, Jr., 67, d. 9 February 2020, a devoted family man, who also volunteered for many community projects. He was an electrical engineer. He brought solar power to remote places in the Australian outback.

Kerry Hayden Chandler, 75, 19 May 1944 - 4 March 2020

Kerry was born in Maine. He lived in Milford before residing in Frankestown for the past five years. Kerry was an active member of The First Congregational Church of Milford, where he had served as treasurer.

Richard “Bubba/Grampa” K. Wheeler, 19 June 1932 - 10 March 2020

Richard joined the Army National Guard, then served in the Air Force from 1950 - 1954. He was known for being friendly and keeping busy.

Edward E. Jones, 90, 7 July 1929 - 23 March 2020

Ed was a devoted family man, he served as Deacon at the Community Church for many years, he was a great help at Labor Day. He will always be remembered for his easy smile and kind manner.

Roger Leland Hall, 20 February 1927 - March 2020

Jean Guy Robichaud, 86, 2 July 1933 - 1 May 2020

Jean was born in Canada, as a young man he worked in the lumber industry in Canada. He was a successful gardener. A member of the Wilton-Lyndeborough Winter Wanderers, a local skimobile club. A loving family man.

Aaron Fitch Schooley, 36, 27 June 1983 - 13 May 2020

Aaron was born in Nashua. He was much loved by his family and friends.

David Pierce Johnson, 94, 2 September 1925 - 16 June 2020

David attended Kimball Union Academy, Bowdoin College and served in the Pacific during WWII with the U. S. Marines. He was especially interested in the Civil War. He and his wife Gloria trekked the Inca Trail to Machu Pichu, Peru.

Donald Henry Severance, 88, 1931 - 14 July 2020

Don was a dedicated father, husband, teacher, grandfather and great grandfather. He loved motor sports, jazz and bicycling. He served as president of the Francestown Village Water Company and was a volunteer for Monadnock Developmental Services.

Clyde "Skip" Cilley, 76, 15 February 1943 - 16 August 2020

None of us are likely to forget Skip's Goose Honk laugh, (we could hear him, before we saw him.) He served in the Army, and was sent to Vietnam. Also known as the Mapleman, he made prize winning maple syrup. Skip posed one year in his socks at Cilley's Sugar House for a fundraiser calendar.

Diane Schott, 78, d. 28 October 2020

Diane was involved with many civic minded projects. She was co-chair of the Francestown Bicentennial Celebration. A devoted wife and mother, a talented cook. Many may still remember her driving her Land Rover to many sports events with her children.

Sirkka Tuomi Holm, 100, 15 August 1920 - 27 October 2020

Sirkka was a force to be reckoned with she was always interested in education. She was of Finnish descent and always interested in politics. During WWII she served in the Women's Army Corps.

David Clark Boutwell, Sr., 80, 1 October 1940 - 28 October 2020

David was much loved by his family and friends, he served in the National Guard for eight years. He worked for the Town of Peterborough, then Waste Management, then retired from Francestown Sand and Gravel.

Please remember, not every family wants their loved one listed here.

Queries

There were many queries this year, it is nice to know that people whose families once lived here are still interested. Researching was difficult, not being able to go where some of the info may reside.

I could not help Alice Furber, her email address did not work. Alice's ancestors, the Bixby's were involved with the founding of the Unitarian Church, now known as the Old Meeting House.

I mistakingly erased a query regarding elections, sorry.

Patrick Miller sought info about his father Johnny Miller and the Crotched Mountain Ski Area. Patricks Mom and Dad met at the ski area.

William Reed Sawyer from VT. whose forbears lived here, in what is known as the Alvin Avery property, Crams Inn and the Amasa Downes house.

Bruce Cochran from Winchendon always comes here for Labor Day, he was sad about this year, but he called me. His family built the brick house now known as 69 Main Street, his family had a store in the Lord House, now part of 57 Main Street. There is writing on the wall with his families name.

Jane Evans Hamilton of Charleston, SC sent a hinge that was found in one of the Horse Sheds one Labor Day. Perhaps it was made by our famous blacksmith Con Trufant. Jane has offered photo albums and a chest to FIHS that belonged to Jesse Perley Woodbury, but it is heavy and would cost a lot to ship it here. Janes mother was Grace Evans, a former president of FIHS, who lived at the house on the corner of Route 136 and King Hill Road.

Hinge - gift to FIHS from Jane Evans Hamilton.

James "Jimmy" Hadley who used to live here wanted info regarding his sister - in-law Joan. I went to a Greenfield Cemetery to take pictures for him.

Hugh Traulsen calls and writes about who he knows that are still here and past events he participated in.

I thank those that helped provide information for this report. If you want to have your organization mentioned here, contact me by the first week of January 2022. Please let me know or leave the info with the Town Office if you know of any military members who want to be included.

603-547-3616

2020 TOWN MEETING MINUTES

TOWN OF FRANCESTOWN STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Francestown in the County of Hillsborough in the State of New Hampshire qualified to vote in Town affairs:

You were notified to meet at the Town Hall, 2 New Boston Road, in the Town of Francestown on Tuesday, March 10, 2020, at 10:00 a.m. to act upon the following subjects.

ARTICLE 1:

To choose all necessary Town Officers for the ensuing year. (By Official Ballot) (*declared winner)

Select Board Member	Marsha Dixon	328*
	Ron Shattuck	134
Planning Board Member	Betsy Hardwick	385*
	Sarah Hibbard Pyle	316*
	Melissa Shattuck	179
Trustee of Trust Funds	Jo-Ann Miller	461*
Library Trustee	Margaret Merrow	450*
Cemetery Trustee	Bridget Howell	456*
Supervisor of the Checklist	Michael J Tartalis	432*
Fire Ward	David Hanlon	462*
School Board Member	Kevin Pobst	370*
	Stephan Morrissey	113

ARTICLE 2:

Are you in favor of Amendment # 1 as proposed by the planning board for the Francestown zoning ordinance as follows: remove reference to a non-existent map under Art. II DISTRICTS Sec. 2.4 Boundaries and Sec. 2.5 Boundary Determinations? (By Official Ballot)

Article 2 Passed: YES = 440 NO = 60

ARTICLE 3:

Are you in favor of Amendment # 2 as proposed by the planning board for the Francestown zoning ordinance as follows: update allowed light sources under Art. III GENERAL PROVISIONS Sec. 3.15 Outdoor Lighting Regulations (b)? (By Official Ballot)

You were further notified that the second session of the annual meeting of the Town of Francestown was to be held at the Francestown Town Hall, Saturday, March 14, 2020, at 10:00 a.m., at which time the Town acted upon the following subjects:

Second session fo the Annual Town Meeting called to order at 10:03am with the Pledge of Allegiance led by Moderator, Kevin Pobst.

RESOLUTIONS:

Whereas, Abigail Arnold served as a Selectmen for 9 years and gave a total of 33+ years of service to Francestown using her expertise and wisdom to guide our Town towards a better tomorrow; and

Whereas, Robert Rokes served on the Recreation Commission for 20 years providing activities to our community's youth; and

Whereas, Barbara Caskie served on the Heritage Commission for 11 years working attentively to preserve the history of our community; and

Whereas, Silas Little served as a Trustee of Trust Funds for 11 years responsibly protecting the financial assets of our Town; and

Whereas, Elly Miles served on the Heritage Commission for 7 years working diligently on the renovation of the Town Hall; and

Whereas, Robin Haubrich served as a Library Trustee for 7 years enhancing the literacy of our youth and adults alike; and

Whereas, Stephan Morrissey served on the School Board for 6 years working to strengthen the education of our youth; and

Whereas, Lee Davis served on the Waste Disposal Committee for 5 years educating our Community how to protect our environment through recycling; and

Whereas, Ben Cook served as a Keeper of the Clock for 4 years keeping us all on time; and

Whereas, Ruth Behrsing served as a Cemetery Trustee for 3 years being instrumental in bringing new technologies to the position; and

Whereas, Ed Gagnon served on the Waste Disposal Committee for 2 years bringing his institutional knowledge to our community and;

Whereas, Kaela Law served on the Recreation Commission for 2 years bringing our community together at the market; and

Whereas, Alana Samuelson served as Recreation Director for 2 years expanding recreational opportunities for the youth of our community and adults alike.

Be it resolved that the citizens of Francestown extend a sincere vote of thanks to these volunteers for their many years of dedicated service to the community.

ARTICLE 6:

Motion made by Abigail Arnold to see if the Town will vote to raise and appropriate the sum of ONE MILLION EIGHT HUNDRED FORTY TWO THOUSAND EIGHT HUNDRED FIFTY EIGHT DOLLARS(\$1,842,858) for general municipal operations. This article does not include appropriations contained in special or individual articles addressed separately.

Motion seconded by Paul Lawrence. Article 6 carried.

Motion made by Elizabeth Hunter Lavallee to restrict reconsideration of Article 6. Motion seconded by Scot Heath. Motion carried.

ARTICLE 7:

Motion made by Abigail Arnold to see if the Town will vote to raise and appropriate FOUR HUNDRED FIFTY THOUSAND DOLLARS (\$450,000) to be added to the Capital Reserve Funds in the following manner:

\$10,000	Future Replacement of Fire Equipment
\$30,000	Future Replacement of Fire Trucks
\$150,000	Future Replacement and Purchase of Highway Equipment
\$20,000	Future Replacement of Police Vehicles
\$70,000	Future Town Facilities Improvements
\$170,000	Future Town Road Improvements

And authorize the withdrawal of SIXTY FIVE THOUSAND DOLLARS (\$65,000) from the unassigned fund balance and the balance of THREE HUNDRED EIGHTY FIVE

THOUSAND DOLLARS (\$385,000) to be raised by general taxation.

Motion seconded by Scot Heath. Article 7 carried.

Motion made by Scot Heath to restrict reconsideration of Article 7. Motion seconded by Elizabeth Hunter Lavallee. Motion not carried.

ARTICLE 8:

Motion made by Henry Kunhardt to see if the Town will vote to raise and appropriate FIVE THOUSAND DOLLARS (\$5,000) to be added to the Expendable Trust Funds in the following manner:

\$2,000	Master Plan Update Trust Fund
\$3,000	Legal & Public Assistance Trust Fund

Said funds to come from the unassigned fund balance.

Motion seconded by Paul Lawrence. Article 8 carried.

ARTICLE 9:

Motion made by Henry Kunhardt to see if the Town will vote to raise and appropriate TEN THOUSAND DOLLARS (\$10,000) to expand coverage of the stipend plan for the Fire Department, said funds to come from general taxation. If approved future years will be included in the operating budget. Motion seconded by Paul Lawrence.

A petition of 5 people requesting a vote by secret ballot was accepted.

Article 9 carried by secret ballot vote: YES = 70 NO = 9

Motion made by Elizabeth Hunter Lavallee to restrict reconsideration of Article 9. Motion seconded by Steve Chamberlin. Motion carried.

ARTICLE 10:

Motion made by Abigail Arnold to see if the Town will vote to raise and appropriate TWO HUNDRED FIFTEEN THOUSAND DOLLARS (\$215,000) to purchase a new 6-wheel dump truck for the Highway Department, said funds to come from the Future Replacement and Purchase of Highway Equipment Capital Reserve Fund, and to further authorize the disposal of an existing truck as best serves the Town. Motion seconded by Elizabeth Hunter Lavallee.

Motion made by Henry Kunhardt to amend Article 10 adding the words “and outfit” after the words “to purchase”.

If amended the article would read:

To see if the Town will vote to raise and appropriate TWO HUNDRED FIFTEEN

THOUSAND DOLLARS (\$215,000) to purchase and outfit a new 6-wheel dump truck for the Highway Department, said funds to come from the Future Replacement and Purchase of Highway Equipment Capital Reserve Fund, and to further authorize the disposal of an existing truck as best serves the Town. Motion to amend Article 10 seconded by Scot Heath. Motion to amend carried. Article 10 as amended carried.

Motion made by Eric Rasmussen to restrict reconsideration of Article 10. Motion seconded by Paul Conway. Motion carried.

ARTICLE 11:

Motion made by Henry Kunhardt to see if the Town will vote to raise and appropriate SIXTY FIVE THOUSAND DOLLARS (\$65,000) to complete Town Facility projects generally outlined as:

\$35,000	Town Hall Roof Replacement
\$15,000	Police Dept. Parking Lot
\$15,000	Horse Shed Repairs

Said funds to be withdrawn from the Future Town Facilities Capital Reserve Fund. Motion seconded by Scot Heath. Article 11 carried.

ARTICLE 12:

Motion made by Henry Kunhardt to see if the Town will vote to raise and appropriate ONE HUNDRED SEVENTY THOUSAND DOLLARS (\$170,000) to perform necessary engineering, preconstruction and reconstruction activities for that portion of Bible Hill Road commencing at a point one (1) mile northerly of New Boston Road, said funds to come from the Future Town Road Improvements Capital Reserve Fund. Motion seconded by Paul Lawrence.

Motion made by Henry Kunhardt to amend article 12 by replacing the words “that portion” with “portions” and to include Bible Hill Extension and Hay Hill Road.

If amended, the article would read as follows:

To see if the Town will vote to raise and appropriate ONE HUNDRED SEVENTY THOUSAND DOLLARS (\$170,000) to perform necessary engineering, preconstruction and reconstruction activities for portions of Bible Hill Road, Bible Hill Extension, and Hay Hill Road commencing at a point one (1) mile northerly of New Boston Road, said funds to come from the Future Town Road Improvements Capital Reserve Fund. Motion to amend seconded by Scot Heath. Motion to amend carried.

Motion made by Tom Merrow for second amendment to Article 12 increasing the amount from \$170,000 to \$230,000 for the purpose of re-paving the 0.2 miles of Bible Hill Extension as opposed to reclaiming and returning it to a graveled section of road.

If amended the article would read as follows:

To see if the Town will vote to raise and appropriate ONE HUNDRED SEVENTY THOUSAND DOLLARS (\$170,000) to perform necessary engineering, preconstruction and reconstruction activities for portions of Bible Hill Road, Bible Hill Extension, and Hay Hill Road commencing at a point one (1) mile northerly of New Boston Road, of which SIXTY THOUSAND DOLLARS (\$60,000) to be allocated specifically for the re-paving of the 0.2 miles of Bible Hill Extension, said funds to come from the Future Town Road Improvements Capital Reserve Fund. Motion seconded by Jan Hicks. Second motion to amend not carried.

Article 12 as first amended carried.

Motion made by Tom Merrow to restrict reconsideration of Article 12 as first amended.

Motion seconded by Elizabeth Hunter Lavallee. Motion carried.

ARTICLE 13:

Motion made by Abigail Arnold to see if the Town will vote to raise and appropriate TEN THOUSAND DOLLARS (\$10,000) to fund the Town's 250th Anniversary celebration, said funds to come from general taxation. This is a special non-lapsing appropriation pursuant to RSA 32:7, VI and will not lapse until December 31, 2022. Motion seconded by Scot Heath.

Motion made by Charlie Pyle to amend Article 13 to state funds should come from the unassigned fund balance instead of general taxation.

If amended, Article 13 would read as follows:

To see if the Town will vote to raise and appropriate TEN THOUSAND DOLLARS (\$10,000) to fund the Town's 250th Anniversary celebration, said funds to come the unassigned fund balance. This is a special non-lapsing appropriation pursuant to RSA 32:7, VI and will not lapse until December 31, 2022. Motion seconded by Scott Carbee. Motion to amend Article 13 carried. Article 13 as amended carried.

ARTICLE 14:

To transact any other business that may legally come before the Town. No other business brought forward.

Motion made by Paul Lawrence to adjourn. Motion seconded by Elizabeth Hunter Lavallee.

Town Meeting adjourned at 12:37pm.

Pamela Finnell
Town Clerk
